

## JUDGES DEVELOPMENT PROGRAMME

### SEMINAR CREDIT PASSES IN AUSTRALIAN TERRIERS

The Kennel Club's requirements are as follows:

#### JUDGES DEVELOPMENT PROGRAMME BREED CREDIT RESULTS

Eligibility to attend a Judges Development Programme Breed Seminar and Breed Assessment

A person must have:

Previously awarded CCs to at least three breeds within the relevant Group (i.e. the same Group as the host Group), or been previously approved by the Kennel Club to judge a Group at Championship Show level.

The following lists include those judges who meet the above minimum entrance criteria and have received a 'Breed Credit' Certificate. Whilst there are some additional judges who may have attended a Judges Development Programme Seminar, been assessed and achieved a 'Breed Credit', they do not yet meet the above minimum entrance criteria and have therefore not been included on the lists. When these people reach the minimum entrance criteria, their names will be added to the lists.

It should be noted that the following judges are, by virtue of their 'Breed Credit', exempt from Kennel Club Regulation F(1)b.(1)(b) which require judges to be included on a breed council/club B judges list or above in order to judge more than three breed classes (5 classes for Stud Book Band E breeds) for the breed in question. This applies to Open Shows and to breeds without CCs at a Championship Show.
